# **ROSE UNIVERSITY, CLASS OF '24**

The Richmond Rose Society  
**Presents the 84<sup>th</sup> Annual**  
Richmond Rose Society Rose Show  
May 18-19, 2024

## **LEWIS GINTER** BOTANICAL GARDEN

Lewis Ginter Botanical Garden, a sponsor of the Richmond Rose Society Show, offers year-round beauty on a historic property with more than 60 acres of spectacular gardens, including shopping and dining. A classical domed Conservatory is the only one of its kind in the mid-Atlantic. More than a dozen themed gardens include a Children's Garden, Rose Garden, Asian Valley and Cherry Tree Walk. The Cochrane Rose Garden features more than 1,800 rose bushes and 80 varieties carefully selected for reblooming, fragrance, and disease resistance. Meandering paths allow guests to enjoy the roses up close. Don't miss the beautifully framed views across the lake to the historic area of the Garden.

## In Memoriam

Our 2024 Richmond Rose Society Show is in memory of a devoted member, Sherry Minutolo. Sherry brought her own personal sunshine to any rose event with her lovely smile and wonderful laugh. Sherry and her husband Al owned Seral Flower Farm. Most Saturdays, they both could be found at the Crozet Farmers Market where Al is the manager, and Sherry was known for selling beautiful flower bouquets and her own handcrafted jewelry. Her passion for roses and flowers will be deeply missed by all who loved her. Sadly, Sherry lost her battle to cancer in November 2023.

## Notes

The Richmond Rose Society  
An Affiliate of the American Rose Society Presents

# ROSE UNIVERSITY, CLASS OF '24

### 84th Annual Rose Show

Lewis Ginter Botanical Garden  
Richmond, Virginia

#### Open to the Public:

Saturday, May 18<sup>th</sup>, 2024  
2:00 p.m. to 5:00 p.m.

Sunday, May 19<sup>th</sup>, 2024  
9:00 a.m. to 3:30 p.m.

# President's Welcome

Phillip Smith  
President Richmond Rose Society

On behalf of the Richmond Rose Society, I am delighted to welcome you to Richmond, Virginia, for the 84<sup>th</sup> Annual Richmond Rose Society Rose Show. Our theme this year is:

## “Rose University,

## Class of ‘24”

84<sup>th</sup> Annual Rose Show  
Open to the public Saturday, May 18, 2024  
and Sunday, May 19, 2024.

We sincerely hope that you enjoy the beauty of the roses that surround you. We also invite you to our monthly meetings held the fourth Sunday of the month (except July, August, November, and December).

### Visit our website for complete details:

<http://richmondrosesociety.org>

### Follow us on Facebook.

The Rose Show Committee wishes to express its sincere appreciation to Lewis Ginter Botanical Garden for allowing us to hold our rose show in its beautiful facility.

## Richmond Rose Society Membership Application

Membership is open to all who wish to grow roses for pleasure or exhibition and to learn from fellow rosarians. We meet at 2:00 p.m. on the fourth Sunday of each month except July, August, November, and December. Please join us for fellowship, refreshments and to learn more about roses. Check our website for complete details: [richmondrosesociety.org](http://richmondrosesociety.org)

Last Name: \_\_\_\_\_ First Name(s): \_\_\_\_\_

Street Address: \_\_\_\_\_

Are you a member of the American Rose Society (ARS)?  YES  NO

### Please list at least one way the Richmond Rose Society can assist you:

### Check at least one area in which you will be involved in the society:

- Bring refreshments to a meeting or to the rose show
- Write an article for the RRS newsletter
- Help set-up our May show at Lewis Ginter
- Greet visitors to our show
- Donate door prizes/awards
- Serve on a committee

### Please mail your application and check to:

Lynn Pappas, RRS Treasurer  
7745 Fellsway Rd.  
Richmond, VA 23225

# Division 3

## Photographic Awards & Trophies

### Permanent Awards

Class 301 – One Exhibition Bloom - One bloom at exhibition stage, no side buds, of any classification of rose, except "singles." Roses designated as "singles" (e.g. Single Mini, Single Miniflora) must be entered in Class 303. Old garden roses must be entered in Class 307.

Class 302 – One Spray - Two or more blooms of any classification of roses. This class does NOT include collections.

Class 303 – Fully Open Bloom - One bloom any classification of roses, fully open, no side buds, fresh stamens must show. Roses classified by the ARS as "singles" are permitted in this class.

Class 304 – The Rose Garden - Any public or private rose garden. Photographs should show the use of roses within the structure of a garden, which can be widely variable. Roses should dominate in the photograph and some layout of the garden should be visible. Arbors and garden ornaments are permitted, people are not.

Class 305 – Roses with Critters - Roses of any type and any state of bloom accompanied by a critter, such as a bee, butterfly, frog, etc.

Class 306 – Shrub Rose - Any shrub rose listed in the ARS Guide to Roses such as Dr. Griffith Buck, David Austin, Kordes, Drift, etc.

Class 307 – Old Garden Roses - The photograph may be of gallicas, noisettes and hybrid perpetuals, species, polyanthas, ramblers, and tea roses prior to 1867.

Class 308 – Macro Photography - Photographs should be **EXTREME** close-up photo of any part of the rose or rose plant. This would include prickle, leaves, etc. Roses **MUST** be identified.

The Lewis Ginter Botanical Garden and the Richmond Rose Society will take every reasonable precaution to safeguard exhibits, but cannot be responsible for loss of, or damage to entries or property, nor for injuries to person not resulting from the direct act of their respective agents. Liability of any nature is hereby disclaimed.

## Did you know?

**Today's repeat blooming roses get their repeat blooming trait from *Rosa Chinensis*, the China rose. The China rose was hybridized with a number of different once-blooming old European roses in the nineteenth century. The resulting modern roses are similar to the ones we enjoy today which repeat several times each season and have tight form.**

## Division 3- Photography Scale of Points for Rose Photography

- Conformance - 5 points
- Horticultural Excellence – 50 points
- Composition 15 points
- Technique – 15 points
- Distinction – 15 points

TOTAL POSSIBLE POINTS - 100

### FUN ROSE FACTS

- There are over 100 wild rose species.
- Most wild species roses have five petals except for *R. sericea* which has four.
- The fruit of a rose is called a rose hip. Structurally it is similar to an apple which is not surprising since apples are in the rose family.
- Rose hips have high levels of vitamin C and are used in supplements.
- In ancient Rome, roses were used as room decorations. Cleopatra, Queen of Egypt covered the floor of her palace with roses.
- Black and truly blue roses only exist in Photoshop.
- The rose is the national flower of both England and the United States.
- The world's oldest living rose bush is over 1,000 years old and grows on the wall of the Cathedral of Hildesheim in Germany. It survived the bombing of the cathedral in World War II.
- The tallest rose ever recorded was over 23 feet tall.
- Fossil roses date back 35 million years.
- The Rose is one of three flowers mentioned in the Bible.

8. All photographs must be entered by 11:00 a.m. on Saturday, May 18, 2024. Judges judging the photography section of the show and members of their immediate family are not eligible to exhibit photography.
9. Judging shall be in accordance with the current ARS Guide Lines and Rules for Judging Rose Photography. Judges may bestow or withhold any award, including ribbons, as they see fit. The decision of the Judges is final.
10. All care will be given to safeguard photographs, but the Richmond Rose Society will not be responsible for the loss of or damage to photographs.
11. Photographs and awards may be picked up ONLY at the close of the show at 3:30 p.m. Sunday, May 19, 2024.

# Division 1 Horticulture Awards & Trophies Permanent Awards

## Section D Judges' Challenge Class

Class 130 – Judges' Challenge Class – A single bloom or spray at exhibition stage from any cultivar recognized by the American Rose Society. One entry will be chosen to receive the trophy. No other awards will be given. Judges may enter up to three varieties.

## Division 3 - Photography Photography Division – Rules

1. A photo entry lacking a name and address on the back will be disqualified.
2. On your Entry Tag, fill in the Section, Class, Variety, Your Name, and Address (address labels may be used).
3. All photos must be size 5 X 7 with no borders.
4. All photos must be placed by the exhibitor.
5. Exhibitors can enter no more than three photos in any one category and no exhibitor can enter more than 10 photos in total.
6. Entries that have previously won 1st, 2nd, or 3rd place awards in any ARS Photography, District Photography, or National Photography Shows are prohibited.
7. Professional Photographers are ineligible to enter in this section. Exhibitors must be amateur photographers only and must be 18 years or older.

The Garden is easy to get to and close to many other area attractions. Lewis Ginter Botanical Garden is located at 1800 Lakeside Avenue in Richmond, VA, just minutes from downtown Richmond. The Garden is at the corner of Lakeside Avenue and Hilliard Road. The Garden is located off Interstate 95 and convenient to Interstates 64 and 295. If you need help with directions, please call (804) 262-9887.

Class 123 – **Miniature or Miniflora Cycle of Bloom** – Three blooms of the same variety in the three stages of opening: One bloom 1/4 open (past bud stage), one bloom 1/2 to 3/4 open (exhibition stage), and one bloom fully open with stamens showing, all displayed in the same container.

Class 124-A – **Miniature or Miniflora Collection-Same Variety** – Three blooms at exhibition stage, all displayed in the same container.

Class 124-B – **Miniature or Miniflora Collection-Different Varieties** – Three blooms at exhibition stage, all displayed in the same container.

Class 125 – **Miniature or Miniflora English Box** – Six blooms of no more than two of the same variety at exhibition stage and evenly matched, displayed in a box. Exhibitors may provide their own box.

Class 126 – **Miniature or Miniflora Painter's Palette** – Five miniature or five miniflora blooms, all different varieties, evenly matched at exhibition stage, with no foliage, with emphasis on variety of colors.

Class 127 – **Miniature or Miniflora Rose in a Glass** – One bloom, at exhibition stage, with no foliage, placed in water in a Champagne glass.

Class 128 – **Framed Miniature or Miniflora Rose** – One bloom at exhibition stage with no foliage displayed in a small frame.

Class 129 – **Single Miniature or Miniflora** – Roses having from four to eight petals, either a miniature or miniflora rose, without side buds preferred. Six exhibits of different varieties per exhibitor allowed, each in its own container. Best Blue in this section is awarded the trophy.

### **From Downtown Richmond (I-95 North)**

From I-95 North take Exit 80, the Lakeside Avenue exit. Keep to the right and take the right at the first light onto Lakeside Avenue. (You will see the brown Lewis Ginter Botanical Garden sign.) Follow Lakeside. You will see the Garden entrance just after you cross the intersection at Lakeside Avenue and Hilliard Road.

### **From Washington, D.C. (I-95 South)**

From I-95 South take Exit 83B, the Parham Road Rt. 73 West exit. (Right before this exit you will see the brown Lewis Ginter Botanical Garden sign.) On Parham, quickly get into your far left lane. At the second stoplight, take a left onto Brook Road (also known as Route 1 South). At the third stoplight, take a right onto Lakeside Avenue. (At the light you will see a brown Lewis Ginter Botanical Garden sign.) As you go down Lakeside Avenue, you will see the Garden entrance to your right.

### **From Charlottesville (I-64 East, I-295 East)**

Come into Richmond on I-64 East. Get on to I-95 North to Washington, D.C. Follow directions for I-95 North. See map.

### **From Williamsburg (I-64 West, I-295 West)**

Come into Richmond on I-64 West. Get on I-95 North to Richmond. Follow directions for I-95 North from Richmond.

## Consulting Rosarians

Consulting Rosarians are accredited by the American Rose Society upon recommendation from the local societies and successful completion of training. They are available free of charge to advise in the care and culture of the rose, establishment of new rose gardens, and identification of pests and diseases. Feel free to call upon them.

## Division 1 Horticulture Awards & Trophies Permanent Awards

### Section C

#### Miniature & Miniflora Roses

All classes in Horticulture Section C are open to everyone. Roses should be shown at exhibition stage unless otherwise noted. Entries within a single class will be divided into alphabetical order.

Class 120A – **Miniatures** – One-bloom-per-stem, exhibition stage without side buds preferred.

- Queen Trophy
- King Trophy
- Princess Trophy
- Prince Trophy

Class 120B – **Minifloras** – One-bloom-per-stem, exhibition stage without side buds preferred.

- Queen Trophy
- King Trophy
- Princess Trophy
- Prince Trophy

Class 121 – **Miniature or Miniflora Sprays** – One spray with two or more blooms.

Class 122 – **Fully Open Miniature or Miniflora** – One-bloom-per-stem, no side buds, and stamens must show. Exhibitors are permitted three entries, if each is of a different variety.

# Rose Show Judges

**Class 114-2 – Novice: Floribunda Spray** – One spray, two or more blooms, with or without side buds. This class is for exhibitors who have never won a Blue ribbon in an ARS sanctioned show. Exhibitors are allowed three entries, if each is a different variety. A Novice trophy will be awarded to the “best of the Blues.” These entries are ineligible for any other awards.

**Class 114-3 – Novice: Miniatures** – One-bloom-per-stem, without side buds preferred. This class is for exhibitors who have never won a Blue ribbon in an ARS sanctioned show. Exhibitors are allowed three entries, if each is a different variety. A Novice trophy will be awarded to the “best of the Blues.” These entries are ineligible for any other awards.

**Class 115 1-5 – Don Penzler Memorial Fragrance Trophies** – Class 1, 2, and 3 to be exhibited at exhibition stage with no side buds. Class 4 and 5 to be exhibited at exhibition stage with side buds permitted. Only Blue stickers will be awarded, with the trophy going to the specimen with the most distinctive fragrance.

- Class 115-1 – **Fragrant Hybrid Tea or Grandiflora**
- Class 115-2 – **Fragrant Floribunda**
- Class 115-3 – **Fragrant Mini/Miniflora**
- Class 115-4 – **Fragrant Shrub**
- Class 115-5 – **Fragrant Old Garden Rose**

**Class 116 – Painter’s Palette** – Five floribundas all different varieties, evenly matched, at exhibition stage with no foliage. Exhibitors should emphasize a variety of colors.

**Class 117 – New Seedlings or Sports** – One bloom or spray grown by the exhibitor that has not been registered. A card containing the growth habits and parentage (if known) must be placed with the exhibit.

# A Guide to Enjoying the Show

A rose show is not only a competition among serious rose growers, but also a chance to exhibit the beauty and variety of our national flower.

**Horticultural Division:** In this division, the Judges seek to reward excellent horticultural practices, as well as the skill in exhibiting the roses themselves. To that end, the roses are judged based on the following point scores:

Form 25 points	Substance 15 points
Color 20 points	Balance & proportion 10 points
Size 10 points	Stem & Foliage 20 points

- **Form:** The symmetry and configuration of the actual bloom(s) is the most important single element. The most perfect phase of possible beauty is generally 1/2-3/4 open (not a bud and not fully opened).
- **Color:** The trueness, freshness, and brightness, the hue and chroma of the bloom.
- **Substance:** This is closely associated with color and concerns the freshness and crispness of the bloom.
- **A straight stem and well-proportioned foliage:** These should be free of disease, insects, and foreign matter to show off a fresh, symmetrical bloom to its fullest.
- **Balance and Proportion:** The overall appearance of the specimen, and how the size of the bloom and stem/foilage relate to one another.
- **Size:** This is how it relates to what is typical of the variety. Size carries the smaller number of points, and therefore is not as important overall as most people think.

Class 110B – Classic Shrubs – Shrub varieties classed as “shrubs” by the ARS. Classic Shrubs are those classified as hybrid musk, hybrid rugosa, or hybrid Kordeii. One-bloom-per-stem, with or without side buds, or one spray of two or more blooms. More than one Blue sticker may be awarded per alphabetical grouping, with the “best of the Blues” being considered for Queen of the Shrubs.

## Modern & Classic Shrub Awards:

- Queen Trophy
- King Trophy
- Princess Trophy
- Prince Trophy

Class 111 – Polyantha Spray – including climbing sports – One spray of two or more blooms.

Class 112a – Rose in a Bowl – Hybrid tea or grandiflora at exhibition stage, no foliage, placed in water in a brandy snifter (bowl).

Class 112b – Shrub Roses in a Bowl – Five shrub blooms, no foliage, placed in water in a large bowl.

Class 113 – English Box – Six Hybrid Teas or Grandifloras of no more than two of the same variety, evenly matched, displayed in a box. Exhibitors may provide their own box.

Class 114-1 – Novice: Hybrid Teas, Floribundas and Grandifloras – One-bloom-per-stem, without side buds preferred. This class is for exhibitors who have never won a Blue ribbon in an ARS sanctioned show. Exhibitors are allowed three entries, if each is a different variety. A Novice trophy will be awarded to the “best of the Blues” in each subclass. These entries are ineligible for any other awards.

## Division 1 - Horticultural Rules

Class 106 – Fully Open Hybrid Tea or Grandiflora – Stamens showing, one-bloom-per-stem without side buds preferred. Exhibitors are permitted three entries in class, if each is a different variety.

Class 107 – Non-Exhibition Form Hybrid Tea and Grandiflora Varieties – One-bloom-per-stem, without side buds preferred. This class is intended for roses more characteristic of OGRs or shrubs. Hybrid tea varieties with fewer than 17 petals are excluded.

Class 108-1 – Varieties of OGR in Existence Prior to 1867, excluding species roses – One-bloom-per-stem, with or without side buds, or one spray of at least two blooms. Please write "Prior to 1867" on the top of the entry tag. These roses are eligible for the **Dowager Queen Award**, which is awarded to the best of the Blues.

Class 108-2 – Varieties of OGR in 1867 or Later – One-bloom-per-stem, with or without side buds, or one spray of two or more blooms. Please write "1867 or later" on the top of the entry tag. These roses are eligible for the **Victorian Rose Award**, which is awarded to the best of the Blues.

Class 108-3 – Species varieties of OGR regardless of introduction date – One-bloom-per-stem, with or without side buds, or one spray of two or more blooms. These roses are eligible for the **Genesis Award**, which is awarded to the best of the Blues.

Class 109 – Large Flowered Climbers and Hybrid Wichuraiana – Climbers other than climbing sports of hybrid teas, grandifloras, floribundas, and polyanthas. One-bloom-per-stem, with or without side buds; or one spray of two or more blooms.

Class 110A – Modern Shrubs – Shrub varieties classed as "shrubs" by the ARS. One-bloom-per-stem, with or without side buds, or one spray of two or more blooms. More than one Blue sticker may be awarded per alphabetical grouping, with the "best of the Blues" being considered for Queen of the Shrubs.

1. All classes are open to any amateur rose grower whether or not a member of a rose society with the following exceptions:  
  
Challenge Classes Section A  
Classes 0, 1, 2, 3, 4, 5, 6 are restricted to entries by exhibitors for whom the Richmond Rose Society is their home society and who are members in good standing having timely paid their dues.
2. The preparation area will open at 7:00 a.m. Saturday, May 18, 2024. Horticulture entries will be accepted from 7:15 a.m. - 10:30 a.m. Vases, picture frames, bowls, Champagne glasses, English boxes, and painter's palettes will be provided by the Richmond Rose Society, and will remain the property of the Richmond Rose Society.
3. Judging will start at 11:00 a.m. The show will be open to the public from 2:00 p.m. to 5:00 p.m. Saturday and 9:00 a.m. - 3:30 p.m. on Sunday.
4. Horticulture exhibitors must register and receive an exhibitor's number that shall be entered on the entry tag in the appropriate space.
5. All roses entered in the Horticulture Division must have been grown by the exhibitor in his/her private outdoor garden. Variety of rose given on the entry tag must be correct or an accepted synonym.
6. Only one person from a family may exhibit in the Horticulture Division; however, if desired, a couple may exhibit as a team or a child may enter any class his or her parents have not entered.
7. One entry only of a named variety is permitted in the same class. A duplicate entry of varieties in the same class by the same exhibitor automatically disqualifies both entries.

## Division 1 - Horticultural Rules

8. All roses for Sections B, C, and D must be brought to the Placement Table for entry. The entry tags shall be unfolded. The exhibits for these sections will be placed by the Placement Committee. All roses for Section A must be placed by the exhibitor. If sufficient space is not available, the exhibitor shall notify the Placement Chairperson.
9. At the time of judging, an exhibition rose should be in the most perfect phase of possible beauty, typically when the bloom is one-half to three-fourths open. Buds are not considered blooms.
10. Wedging material may be used in the top of the vase to keep blooms upright, but should not protrude above the lip of the vase or container, otherwise it can be penalized to the degree of its distraction to the exhibit. The use of clay wedging or extra leaves in the top of the vase to hold blooms upright may be heavily penalized.
11. Grooming or dressing blooms and foliage is permitted if it improves the appearance and is skillfully done.
12. Blue, Red, Yellow, and Green stickers may be awarded; however, judges may withhold awards if in their judgment, the exhibit merits no award. Rules of the *American Rose Society* will be adhered to and the judges' decisions are final. In the case of a tie for Sweepstakes, Red stickers will be counted.
13. Trophies will be awarded to Blue sticker winners only.
14. Roses must be exhibited under the American Rose Society approved exhibition name. Names may be verified by the following sources: Modern Roses, Handbook for Selecting Roses, Official List of Approved Exhibition Names for Exhibitors & Judges, Recent registrations on the ARS website, and the online Modern Roses database. An accepted synonym of the rose exhibition name is allowed.

## Division 1 Horticulture Awards & Trophies Permanent Awards

### Section B Standard Roses

All classes in Horticulture Section B are open to everyone. Roses should be shown at exhibition stage unless otherwise noted. Entries within a single class will be divided into alphabetical order.

Class 101 – Hybrid Teas, Grandifloras, and their Climbing Counterparts – One-bloom-per-stem without side buds preferred. More than one Blue sticker may be awarded per alphabetical grouping, with the “best of the Blues” being considered for Queen of the Show.

#### Awards:

- Queen Trophy
- King Trophy
- Princess Trophy
- Prince Trophy

Class 102 – Single and Semi-Double Hybrid Teas, Grandifloras or Floribundas – With or without side buds.

Class 103 – Floribunda – One-bloom-per-stem, without side buds preferred.

Class 104 – Floribunda Spray – One spray, two or more blooms, with or without side buds.

Class 105 – Hybrid Tea or Grandiflora Spray – One spray, two or more blooms with or without side buds.

## Division 1 - Horticultural Rules

Class 11 – Annette Critelli Memorial Trophy – Best Cycle of Bloom – Three Hybrid Teas or Grandifloras of the same variety in the three stages of opening: One 1/4 open (past bud stage), one 1/2 to 3/4 open (exhibition stage), and one bloom fully open (stamens should show)—displayed in the same container.

Class 12 – Best Collection of Three Hybrid Teas or Grandifloras of Different Varieties – Any combination of one-bloom-per-stem or sprays of three hybrid teas or grandifloras of different varieties evenly matched, displayed in the same container.

Class 13 – Best Collection of Three Hybrid Teas or Grandifloras of the Same Variety – Any combination of one-bloom-per-stem or sprays of hybrid teas or grandifloras of the same variety, evenly matched, displayed in the same container.

Class 14 – Best Large Last-Minute Beauties – No fewer than 10 or more than 15 stems of any rose type other than miniatures or minifloras—displayed in the same container.

Class 15 – Best Small Last-Minute Beauties – No fewer than 10 or more than 15 stems of any miniatures or minifloras—displayed in the same container.

Class 16 – Willie Mills Memorial Trophy – A Pair of Reds – Two one-bloom-per-stem standard size roses classified as “medium red” or “dark red” by the ARS, of the same or different varieties each displayed in a separate container.

15. To avoid confusion on the show floor, only persons from the Show Committee or those placing Challenge Class exhibits will be allowed in the show room during the placement of entries. This rule will be strictly enforced.
16. During judging, the only people allowed in the show room are the following: Chair and Co-Chair of the Show, the Chair of Judges, Judges, Clerks, Tally Team, and Scribes. This rule will be strictly enforced.
17. The Show Committee may remove any wilted or inferior blooms at any time.
18. All exhibits and entry tags must remain undisturbed until the close of the show, 3:30 p.m., Sunday, May 19<sup>th</sup>. Presentation of awards will be at 3:30 p.m. on Saturday, May 18<sup>th</sup>.
19. Misplaced entries are only disqualified in Challenge classes, because in any other class the misplacement was the fault of the runner, not the exhibitor.
20. Entries will be disqualified for the following reasons:
  - A foreign substance applied to enhance the beauty of the entry.
  - Misnamed. Rose is not the variety given on the entry tag or an accepted synonym.
  - Unlabeled or Mislabeled. Entry lacks an entry tag or the exhibitor’s name, a class number, and/or the name of the variety is not given on the entry tag.
  - Exhibitor’s name visible, if not corrected before the entry is judged.
  - A Challenge Class entry that does not satisfy the requirements of the class in which it is entered.
  - Any entry that was not grown outdoors and/or not grown by the exhibitor.
  - More than one entry in a single-entry class.

### Permanent Awards

#### Section A

#### Richmond Rose Society Challenge Classes

Class 0 through Class 6 are restricted to entries by exhibitors for whom the Richmond Rose Society is their home society and who are members in good standing having timely paid their dues. Challenge Classes 7-16 are open to all exhibitors. Exhibitors are allowed only one entry in each class and the entries must be placed by the exhibitor.

**Richmond Rose Society Trophy for Sweepstakes** – This is awarded to the exhibitor for whom Richmond Rose Society is their home society; the exhibitor is a member in good standing having timely paid RRS dues; and has received the highest number of Blue stickers in all classes in Division One. A member may not receive this award more than twice consecutively.

**Class 0 – Anne Long Challenge Class - Collection Exhibition Hybrid Teas** – Four Hybrid Teas or Grandifloras evenly matched at exhibition stage. No restrictions as to variety, can be same variety or mixed, presented in one container supplied by the exhibitor. This exhibit is to be judged on the quality of the roses only, the container is not considered.

**Class 1 – Andy Cinsavich Memorial Trophy – Collection Exhibition Hybrid Teas** – Three Hybrid Teas at exhibition stage, all in the same container, including at least one of the following varieties: Brigadoon, Signature, or Veterans' Honor (Andy's favorite roses). Other factors being equal, more credit to be given to collections with the greater number of "Andy's favorites" included.

**Class 2 – Jim Diggs Trophy – Veterans' Honor** – Three Veterans' Honor one-bloom-per-stem at exhibition stage displayed in separate containers.

**Class 3 – Yannello Memorial trophy – Three Shrubs (Modern or Classic)** of the same or different varieties – displayed in the same container.

**Class 4 – Lutz Memorial Trophy – Three Miniflora blooms or Three Miniature blooms** of the same or different varieties with one-bloom-per-stem – displayed in the same container.

**Class 5 – Randolph Gladding Trophy for Mini/Miniflora** – Three miniature rose sprays or three miniflora rose sprays of different varieties with two or more blooms—displayed in the same container.

**Class 6 – Jay Donohue Memorial Trophy for Miniature & Standard Hi-Lo Combination** – One hybrid tea or grandiflora rose of any variety at exhibition stage with one miniature rose of similar color and form at exhibition stage, without side buds preferred, displayed in separate containers.

#### Classes 7 – 16 are open to all exhibitors.

**Class 7 – Helen L. Woolridge Memorial Trophy – Hi-Lo Combination** – One hybrid tea or grandiflora rose of any variety at exhibition stage with one miniature or miniflora rose of similar color and form at exhibition stage, without side buds preferred, displayed in separate containers.

**Class 8 – Mabel Speer Memorial Trophy – Three different David Austin roses**. Any combination one-bloom-per-stem or sprays – each displayed in separate containers.

**Class 9 – Catherine Rose Memorial Trophy – Three Floribunda sprays**, in any combination of varieties – displayed all in the same container.

**Class 10 – Best Collection of Three OGR Sprays or Shrub Sprays** – Three OGR sprays or shrub sprays, in any combination of varieties—each displayed in a separate container.
